BIRTHDAY PARTY GUEST LIST

You MUST bring this list complete with names with you the day of your birthday party

Present this completed guest list when you arrive and check in at Party Central on the day of your party. We use this list to check in guests you have agreed to pay for and direct them to your reserved seating area.

As described in your Birthday Party Agreement, your reservation details the number of prepaid guests in your group. We will hand stamp each paid guest on this list as they check in. **Any guests not prepaid and not on this list are required to purchase the buffet or quest party package for admission.** Additional guests may pay individually or you may request that their buffets be added to your final bill.
